

IT Out-Take (Bonus?) Track

(Solving an Intonation Problem)

LEGEND:

- 00:00:00 FADE IN MUSIC
- 00:00:35 Richard's (one sided) conversation with the booth concerning intonation.
- 00:01:15 "Cue System" refers to the mix of the music that the musicians hear in their headsets while playing.
- 00:01:25 "Richard?" "Asa here" The concert master has a suggestion.
- 00:01:39 "Does bar 4 look like that Jimmy?" The principal cellist asks Jimmy Bryant, the orchestrator, a question. Everyone is trying to figure out the answer to this problem.
- 00:02:55 "It's sounding a bit high to me Jon...." Richard speaking to the English Horn player about the pitch being sharp.
- 00:03:03 "Richard?" The Bass Clarinet player suggests that maybe he should take his note down one octave. He thinks it may be clashing with the String Bases.
